Nature of Request and Action

Mr. Robinson, a speech writer for the Vice President, requested a quote from the Soviet media that would demonstrate that the Soviet Union is upset by the tougher line taken by the Administration for inclusion in a "stump" speech by Bush. I offered him three choices. The one he ~~wanted~~ copied down was from Brezhnev spokesman Leonid Zamyatin from LITERATURNAYA GAZETA in which Zamyatin spoke of the organizers of "crusades" against the USSR and socialism ending up "on the garbage heap of history."
